

Q3 2022

HOW TO HELP YOUR EMPLOYEES VOTE

EMPLOYER TOOLKIT

BUSINESSFORWARD
FOUNDATION

In today's economy, communities compete with one another to attract new talent and investment. They compete with their schools, workforce, and infrastructure. They also compete with the strength of their community. For years, business leaders have shared a simple, powerful point with their employees, suppliers, customers, and neighbors: We cannot compete if we cannot get along. We need to work together, respect one another, protect one another, and bring out the best in one another.

The 2022 midterm elections — two years after a contentious presidential election — will be unlike any midterms in recent history. Since 2020, more than 25 states have passed or introduced restrictive voting laws.¹ It's okay for citizens of good faith to disagree strongly, but we must reject those trying to divide us — and we must commit ourselves to helping the most vulnerable among us exercise their right to vote.

This Resource Guide features recommendations, best practices, and resources for business owners interested in helping their employees and/or customers vote. We also provide links to dozens of organizations and coalitions that can help.

If you need additional support — or would like to help Business Forward recruit other businesses, please contact us at info@businessfwd.org.

FIVE THINGS YOU CAN DO

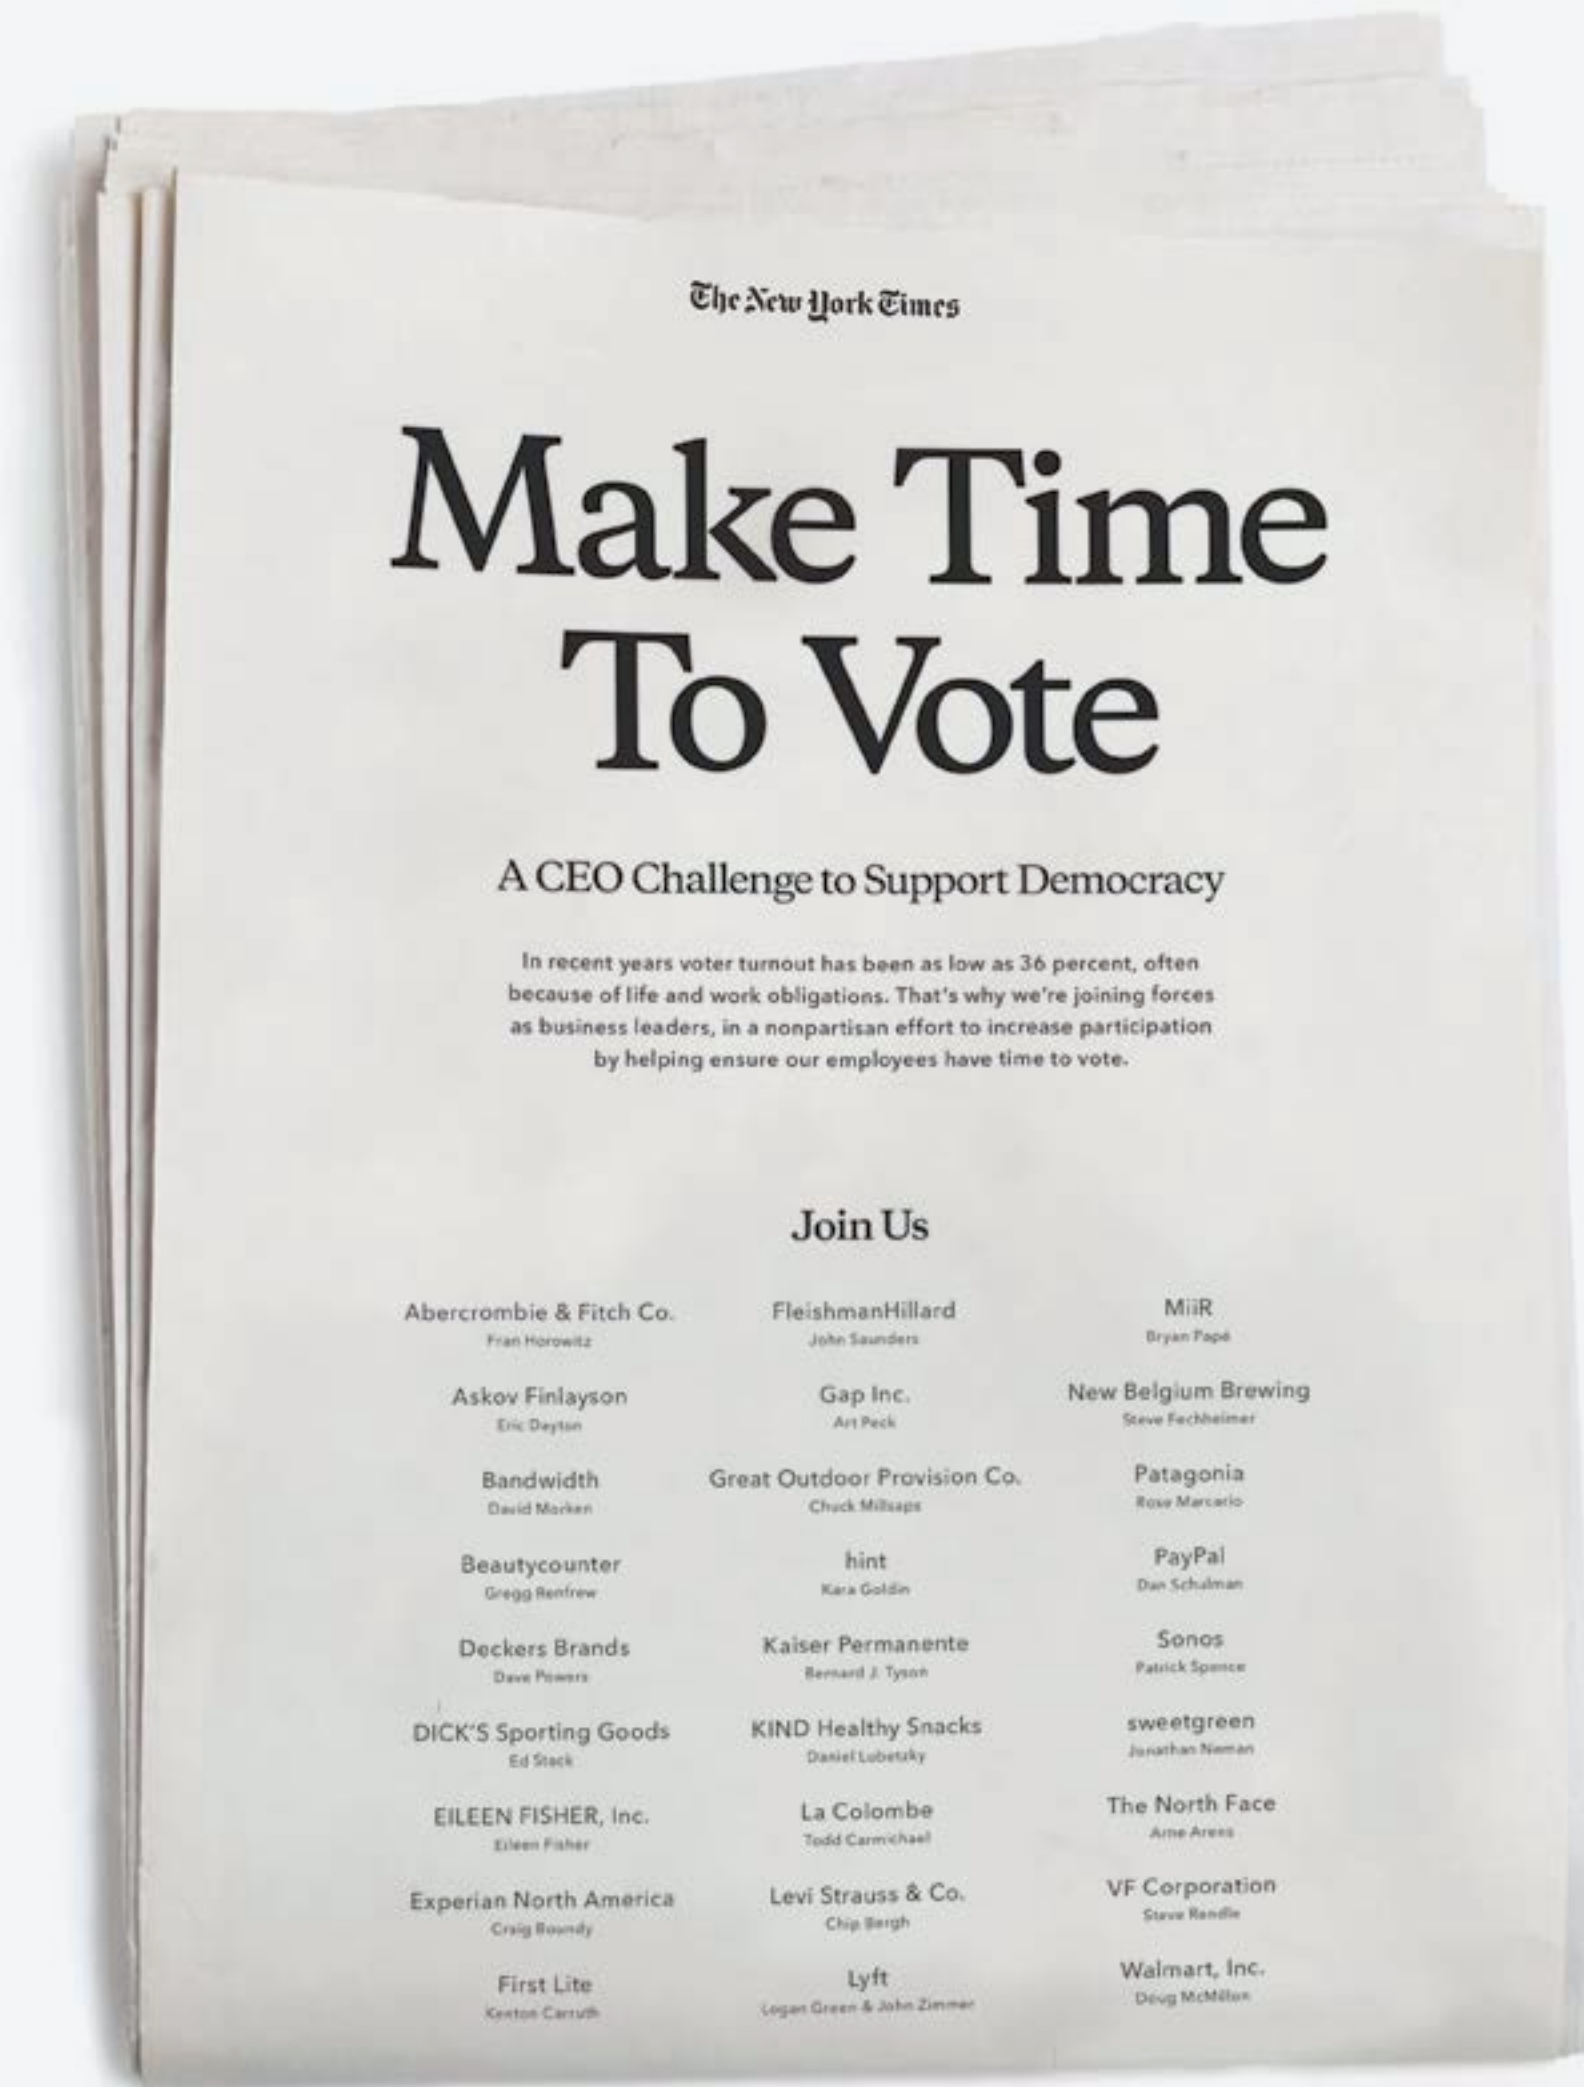

1. HELP YOUR EMPLOYEES REGISTER AND PREPARE TO VOTE.

2. GIVE THEM TIME TO VOTE ON ELECTION DAY.

3. SPEAK OUT ABOUT POLICIES THAT ENCOURAGE VOTING AND MAKE IT EASIER.

4. STAND UP FOR VOTERS MOST LIKELY TO BE SILENCED OR SUPPRESSED.

5. BE VOCAL ABOUT THE IMPORTANCE OF FREE AND FAIR ELECTIONS.

WHY YOUR EMPLOYEES AND CUSTOMERS NEED HELP

1. REGISTRATION IS NOT AUTOMATIC.

Voters must register before the election in most states (41 out of 50).²

2. VOTING RULES ARE COMPLICATED.

ID requirements, registration deadlines, and early voting and absentee voting rules vary by state.

3. VOTING TAKES TIME.

One in three non-voters say scheduling conflicts with work or school kept them from voting.³

4. VOTING REQUIRES INFORMATION.

Among young voters in particular, would-be voters are unfamiliar with campaign issues and do not appreciate why their vote matters.

5. VOTING DURING A PANDEMIC CAN BE CONFUSING.

Vote-by-mail and early voting will continue to be prevalent this election.

DID YOU KNOW?

<50%

Less than half of eligible voters vote in midterms.⁴

The U.S. ranks 26th out of 32 developed democracies in voter participation.⁵

A STRONG RULE OF LAW IS CRITICAL TO A SUCCESSFUL BUSINESS ENVIRONMENT

TRANSPARENCY IS A POWERFUL FORCE IN BUSINESS. WE NEED MORE OF IT IN GOVERNMENT.

We're responsive to our stockholders, employees, and customers. Government should be more responsive to its citizens and enable participation — not restrict it.

WE BENEFIT FROM OPERATING IN THE WORLD'S "SAFE HAVEN" FOR BUSINESS. WE NEED TO PROTECT THAT.

Ignoring government corruption will make us look like the rest of the world, and that will make it harder for us to attract investment, open new markets, and create new jobs.

IF CORRUPTION SPREADS IN ELECTIONS, IT WILL SPREAD TO THE REST OF GOVERNMENT.

Gerrymandering, voter suppression, and claims of voter fraud are all antidemocratic ways to sow uncertainty in elections. An official without fear of her next election is more likely to break the rules.

“

We represent a brand in America — fairness, voting, and democracy — that helps our companies when we walk into the room. Those values that we bring with us as Americans around the world — we all benefit from that. If we are seen as losing that at any level systemically, that is going to hurt everybody down the road. People respect American companies for a reason, and we want to retain that.

GETTING STARTED

1. HELP YOUR TEAM FIND THE BASICS ON REGISTRATION, EDUCATION, AND WHEN/WHERE/HOW TO VOTE.

	CHECK YOUR REGISTRATION → Not sure if you're registered to vote? We'll help you check and register if you can.
	REGISTER TO VOTE → It takes less than 2 minutes to register.
	VOTE BY MAIL → Can't or don't want to vote in person on Election Day? Request an absentee ballot.
	POLLING PLACE LOCATOR → Need to find your polling place? View the list of state polling place websites.

2. FIND A PARTNER THAT FITS YOUR COMPANY'S CULTURE AND YOUR EMPLOYEES' POINT OF VIEW.

Artists coming together to make art that encourages people to #GoVote.

Encouraging young Hispanic and Latinx voters to register to vote and become more politically involved.

Linking culture and policy to create a voter mobilization campaign that's bigger, more diverse, and more powerful.

Works with musicians, labels, and concert promoters.

Led by Gen Z women for Gen Z women.

3. REMEMBER "DOS" AND "DON'TS."

DO

ENCOURAGE EMPLOYEES TO VOTE

DON'T

ENCOURAGE THEM TO VOTE FOR A PARTICULAR CANDIDATE

FOCUS ON EARLY VOTING OPTIONS

Lines are shorter during early voting than on election day. It's also easier for workers with young children, a second job, or earning a degree. But, chances are, your employees do not know when early voting starts.

Advice from Gap, Inc.:

“

Our employees were already looking to us to speak up and it felt like a miss not to.... The employees come to expect a certain outreach. There was more risk in doing nothing and not having any communication about this election. We had an imperative to do something.¹⁸

BECOME A POLL WORKER OR POLL WATCHER

WHAT DOES IT MEAN TO BE A POLL WORKER VS. POLL WATCHER?

POLL WORKERS are trained by local election boards to identify problems and serve at polling places on Election Day. It's a nonpartisan role that simply works to ensure a successful election process.

POLL WATCHERS are recruited by political parties to protect people casting their vote. They monitor incidents of voter intimidation and work with voters and election officials to address problems at the polls.

KEY FACTS ON MAIL-IN VOTING

43%
of Americans voted
by mail and
26%
voted early in
the 2020 election.¹⁹

28 STATES
already encourage
vote-by-mail (without
asking for a reason).²⁰

It's enjoyed bipartisan
support for years.²¹

The 5 states that
vote exclusively by
mail have
higher turnout and
lower costs.²²

.0019%
**POTENTIAL
VOTING FRAUD**

In 2020, six
battleground states
reported 475 cases of
potential fraud - out of
25 million ballots.²³

Their experience
demonstrates there's
higher risk of error or fraud
from in-person voting
than mail-in voting.²⁴

That's because voters often
show up at the wrong polling
location, whereas mailed
ballots go to only those who
can use them.
