

Q3 2020

HOW TO HELP YOUR EMPLOYEES VOTE

OHIO EMPLOYER TOOLKIT

In today's economy, communities compete with one another to attract new talent and investment. They compete with their schools, workforce, and infrastructure. They also compete with the strength of their community. For years, business leaders in Ohio have shared a simple, powerful point with their employees, suppliers, customers, and neighbors: We cannot compete if we cannot get along. We need to work together, respect one another, protect one another, and bring out the best in one another.

The 2020 election will be among the most contentious in recent history. It's okay for citizens of good faith to disagree strongly, but we must reject those trying to divide us -- and we must commit ourselves to helping the most vulnerable among us exercise their right to vote.

This Resource Guide features recommendations, best practices, and resources for business owners interested in helping their employees and/or customers vote. We also provide links to dozens of organizations, coalitions, and apps that can help.

If you need additional support -- or would like to help Business Forward recruit other businesses, please contact us at info@businessfwd.org.

FIVE THINGS YOU CAN DO

1. HELP YOUR EMPLOYEES REGISTER AND PREPARE TO VOTE.

2. GIVE THEM TIME TO VOTE ON ELECTION DAY.

3. SPEAK OUT ABOUT POLICIES THAT ENCOURAGE VOTING AND MAKE IT EASIER.

4. STAND UP FOR VOTERS MOST LIKELY TO BE SILENCED OR SUPPRESSED.

5. PREPARE YOUR EMPLOYEES FOR EXTENDED BALLOT-COUNTING AND A DELAYED DECISION.

WHY YOUR EMPLOYEES AND CUSTOMERS NEED HELP

1. REGISTRATION IS NOT AUTOMATIC.

Voters must register before the election in most states (31 out of 50).¹

2. VOTING RULES ARE COMPLICATED.

ID requirements, registration deadlines, and early voting and absentee voting rules vary by state.

3. VOTING TAKES TIME.

One in three non-voters say scheduling conflicts with work or school kept them from voting.²

4. VOTING REQUIRES INFORMATION.

Among young voters in particular, would-be voters are unfamiliar with campaign issues and do not appreciate why their vote matters.

5. VOTING DURING A PANDEMIC CAN BE CONFUSING AND FRIGHTENING.

Vote-by-mail and early voting will matter more this election.

Lines are shorter during early voting than on election day. It's also easier for workers with young children, a second job, or earning a degree. But, chances are, your employees do not know when early voting starts.

HELP THOSE WHO NEED IT MOST

“ Our commitment to help and support now is critical, as so many of our associates, families, friends, customers and communities are hurting, frustrated and angry... We must use our voice to express that we are against racism and injustice against the black community. Advice from Gap, Inc.:

Our employees were already looking to us to speak up and it felt like a miss not to.... The employees come to expect a certain outreach. There was more risk in doing nothing and not having any communication about this election. We had an imperative to do something.²⁰

BECOME A POLL WORKER OR POLL WATCHER

WHAT DOES IT MEAN TO BE A POLL WORKER VS. POLL WATCHER?

POLL WORKERS are trained by local election boards to identify problems and serve at polling places on Election Day. It's a nonpartisan role that simply works to ensure a successful election process.

POLL WATCHERS are recruited by political parties to protect people casting their vote. They monitor incidents of voter intimidation and work with voters and election officials to address problems at the polls.

KEY FACTS ON MAIL-IN VOTING

1 IN 4
Americans vote
by mail.²²

28 STATES
already encourage
vote-by-mail (without asking
for a reason).²³

It's enjoyed bipartisan
support for years.²⁴

The 5 states that vote
exclusively by mail have
higher turnout and
lower costs.²⁵

.001%
POTENTIAL
VOTING FRAUD

In 2016, these five states
reported 112 cases of
potential fraud - out of 11
million ballots.²⁶

Their experience
demonstrates there's
higher risk of error or fraud
from in-person voting
than mail-in voting.²⁷

That's because voters often
show up at the wrong polling
location, whereas mailed
ballots go to only those who
can use them.

Covid-19 makes crowded
polling places dangerous for
seniors and those with
underlying conditions.

Meanwhile, states rely
heavily on seniors to serve
as poll workers. With seniors
staying away, state polling
places will be shorthanded.

PREPARE YOUR EMPLOYEES FOR “ELECTION WEEK”

A CONCLUSIVE OUTCOME ON ELECTION NIGHT IS UNLIKELY

1. Some states will accept ballots postmarked on election day, which means vote totals for some states could take more than a week.
2. On election night, some states count mail-in ballots first; some last. This could affect early vote totals -- but not the final result.
3. Setting expectations early will encourage patience and help your employees manage anxiety.
